### **Fee Schedule**

While The Chi Farm does not accept insurance, we will be glad to provide you with a coded receipt for you to submit to your insurance company or flex spending administrator for reimbursement.

Initial Session (1 1/2 – 2 hours) \$100

During this session we will discuss not only your chief complaints, but also on all the minor issues in your life. Medical and social histories will also be taken. After this discussion you will receive your first acupuncture treatment.

Follow-up Treatments (45 – 60 minutes) \$70

Weekly follow-ups are usually sufficient for most clients for the first 6 – 8 weeks after the initial session. At this time we will evaluate your progress with treatment and determine if a modification of treatment frequency is appropriate.

Individual Acudetox Treatments (45-60 minutes) \$50

Clients will receive the National Acupuncture Detoxification Association (NADA) Acudetox treatment in a private setting. Prior to receiving the treatment a short discussion on where you are with your recovery process will take place.

Group Acudetox Treatments (60 – 75 minutes) \$20

Groups may take place several times per week with a maximum of 15 participants per group. A short discussion takes place before clients receive the Acudetox treatment. Please contact The Chi Farm for group times. These sessions are also open to individuals desiring a simple stress relieving treatment.

Note: a sliding-fee scale is available for those clients who require assistance with these fees. Please contact The Chi Farm with your request.
