Parking at The Chi Farm

While there is plenty of free parking in the area, there are several lots which are close-by and reserved for our clients

- If there are no spaces available in the small lot in front of the building, turn left onto Court Avenue (if you came from Main Street you will go straight through the intersection). There are usually spaces available on the right-hand side.
- If there are no open spaces there, turn left just past the courthouse and proceed around to the front.
- Go through the intersection at Court Place onto Park Avenue. You can park in the lot on the left at 3696 Park Avenue.
- If that lot is full, please drive up to the large parking lot at the top of the hill.
